AIZ-Sonderheft zur EXPO REAL 2006

The background of the cover features a close-up, shallow depth-of-field photograph of a board game. In the foreground, two white dice with black pips are visible. One die is in sharp focus, showing the top face with six dots and the left face with two dots. Behind it, another die is slightly out of focus. Several stacks of colorful chips (red and teal) are scattered across the board. The board itself has some text and a red arrow pointing upwards. The overall scene suggests themes of risk, investment, and chance.
